COUNTRY CLUB'S PLANS FOR SUMMER

Mrs. Pearl Rogers, the New Manager, is Now in Charge.

The summer season at the Fairmont Country Club is now on. So quietly has the opening of this popular resort been conducted that to the general public the announcement will come as news.

Mrs. Pearl Rogers of Lexington, Ky., who has been secured by the board of governors to manage the club arrived last week and with a corps of assistants, has prepared the club house for occupancy. Mrs. Rogers comes with the highest recommendations. She has been associated with her father at Georgetown, Ky., in the hotel business and her work thus far

has been satisfactory. From now on the Club will be available for social events, dinners, lunches, etc., of which Mrs. Rogers is efficient to assume complete charge. While plans have not been definitely worked out, the Sunday club dinner will be resumed in the near future.

A dance will be held at club next week for the members which will mark the formal opening, the dance, however to be conducted on informal lines as will the most of the events there this summer. It is the plan of the management to make the season one of the most delightful, but at the same time to conduct it along lines of economy in keeping with a spirit of patriotism.

The golf links, which are said by many to be the finest in the state are in excellent condition. Many members have been playing several weeks. No golf instructor has been employed yet and no definite plans for securing one are matured. Work on the tennis courts is also under way and within a week they will be in excellent condition.

A committee of young people, members of the younger set will be appointed in the near future by the President Mr. DeBolt, who will arrange many of the social events for the season.

Your Daughter's Accomplishment Have You Thought of Them?

Will your daughter's music be a joy to listen to—full of beauty and feeling? Or will it be poor and indifferent—the kind that no one wants to hear?

That Depends on You

If you give her a faulty toned piano, you will eventually ruin her ear for music. But if you choose a pure toned instrument, she will have a correct musical taste as long as she lives.

Select Your Piano from the World's Best Makes

Steinway, Knabe, Hardman, Krakauer, Ludwig and Matchless Milton.

These makes cost but little more than ordinary pianos and you are assured of lifetime service and satisfaction.
